

Community Pharmacy Emergency Hormonal Contraception (EHC) Service

Advice and supply of EHC at Herefordshire Community Pharmacies

- **Free EHC:** EHC is available free of charge from a variety of community pharmacies across the county. However, not all of the pharmacists listed may have a pharmacist on duty at the time you require it. Please phone the pharmacy in advance to check that there is a pharmacist available to supply EHC free of charge. EHC can also be obtained free of charge from a variety of other venues across Herefordshire such as your GP, Herefordshire GP Access Centre or the integrated sexual health clinic (iSH).
- **Purchasing EHC:** EHC can be bought (subject to supply) from some community pharmacies in the county for around £25.00. To find out more information speak to the pharmacist.
